157c

Hon'ble LG, Delhi and other Members of the Court appreciated and commended the progress, performance and efforts of the University towards promoting quality higher education and achieving International ranking alongwith good placement, even during the Covid-19 Pandemic. Hon'ble LG, Delhi advised the University to seek International accreditation of its courses to expand the employability of the students across the globe and emphasized on shaping young graduated into skilled professionals and entrepreneurs who not only become agents but leaders of change.

The Court resolved to approve the Progress Report of IGDTUW.

**Agenda Item 4.03 : Presentation of Audited Annual Accounts of the University for the Financial Year 2019-20 for adoption**

The Vice Chancellor, IGDTUW briefed about the status of funding received from GNCTD in the form of Grant-in-Aid and expenditure incurred and also presented the Audited Financial Statements of the University for the Financial Year 2019-20. The Audited Report for the Financial Year 2019-20 prepared by the CAG empanelled auditor was placed before the Court. It was also informed to the Court that LFA audit for the Year 2018-19 and 2019-20 has already been conducted and the report of the LFA is awaited. The status of the various CAG Audit Para was also apprised to the Court. It was also informed to the Court that the University is coordinating with CAG for conduct of Audit for the period 2016-17 to 2020-21 and A.G (Audit) has informed that the Audit will be conducted shortly.

The Court resolved to pass and approve the Audited Annual Accounts of the University for the Financial Year 2019-20 for adoption.

**Agenda Item 4.04 : Setting up of Centre of Excellence**

It was submitted to the University Court that popularity of Artificial Intelligence, Mechatronics is gaining exponentially, not only in India, but globally in the next few years.

Keeping in view, of the above, the University is in the process of setting up of the following Center of Excellence with the support from, Department of Science and Technology, Govt. of India and DKDF, Govt. of Delhi, the major aspects of Centre of Excellence are as follows:

- (i) **Centre of Excellence in Artificial Intelligence:** The University has received a grant of Rs 8 crores from Department of Science and Technology, Govt. of India for CURIE Artificial Intelligence. The Grant is primarily to setup Centre of Excellence in AI to boost research, consultancy, product development besides promoting AI training at all levels.
- (ii) **Centre of Excellence in Mechatronics:** The University has received a grant of Rs. 8.67 Crores from DKDF, Govt. of Delhi for setting up CoE with the objective to promote research in Drones, Robotics and Automation. This will specially benefit girl students to increase their knowledge base in the intersected domain of electronics and mechanics.
- (iii) **NIDHI TBI:** The University has received a grant of Rs. 6 Crores from Department of Science & Technology, Govt of India to accelerate & boost Innovation, Entrepreneurship, Start-ups and Incubation related activities at the University Campus.

The University Court appreciated the efforts of the University for Setting up of Centre of Excellence as it will create the research eco-system in the University.

**Agenda Item 4.05 : Land Allotment for the New Campus of IGDTUW at Narela, Delhi**

The Vice Chancellor submitted her gratitude to the Hon'ble LG as the allotment of the land to the University has been possible only due to his utmost guidance and support

She informed to the Court that Delhi Development Authority has issued a letter No. LD/IL/0010/2020/EDN/12-O/o DD (IL)-II/2164 dated 17.09.2021 for allotment of land measuring 19.98 hectares to Department of Training and Technical Education for setting up the permanent Campus for Indira Gandhi Delhi Technical University for Women. The University is required to submit a Demand Draft of Rs. 358.56 crores in favour of DDA within 60 days for allotment of the land. It was informed to the Court that University has submitted a proposal alongwith preliminary project report to the DTTE, GNCTD with a request for allocation of 358.56 crores.

The Hon'ble LG, Delhi congratulated the University and desired DTTE, GNCTD should extend all possible support to the University.

**Agenda Item 4.06 : Progress on construction of Girls Hostel in Old NSIT Block, Madarsa Road, Kashmere Gate, Delhi**

The Vice Chancellor has submitted that University is highly indebted to the Hon'ble LG, Delhi for the allocation of erstwhile NSIT, Library Block at Madasa Road for construction of Girls Hostel

It was informed to the Court that University has signed an MoU with Delhi Tourism and Transportation Development Corporation Ltd. (DTTDC) for construction and development works. The DTTDC has initiated the process of cleaning and demolition of the dilapidated structure and the presentation of selection of Architects empanelled by DTTDC have been completed. The University is making all the efforts with DTTDC to expedite and complete the construction and development work at earliest.

The Hon'ble LG, Delhi has desired that the construction work be completed at the earliest.

**Agenda Item 4.07 : EMP- A Unique initiative by IGDTUW to mentor school students**

The Vice Chancellor informed that continuation of education in Science, Technology, Engineering and Mathematics (STEM) as a field of study in higher education is very low. To guide, motivate and mentor the girls studying in science stream of class 11th and 12th to pursue higher education in the STEM, IGDTUW has launched a unique initiative called Education Mentoring Program (EMP) with the objective of Career Counselling, Enhancement of Communication and Presentation Skills, Awareness regarding Clear Progression Opportunities and Personality Development and Time Management.

The pilot phase for the EMP was successfully organised from April 2021 to August 2021. Each mentor (i.e. student of IGDTUW) mentored 4-5 mentees (i.e. girls studying in science stream in class 11th and 12th of Delhi Govt. school ) through well curated and structured telephonic conversations / online meetings, on various aspects like communication skills, awareness , confidence, self motivation, time management, personality development, etc.

Almost 250 mentors of IGDTUW, mentored around 1000 mentees from science stream of class 11th and 12th, during pilot phase. The survey results showed exponential improvement in the communication skills, awareness levels, confidence, self motivation, time management, personality of the mentees and mentors both.

The Vice Chancellor further informed that University included EMP as two credits Generic Elective towards Social Outreach and Community Engagement for the students enrolled upto Academic Year 2020-21. Further, all the students admitted in Academic Year 2021-22, shall mandatory take additional two credits toward Social Outreach and Community Engagement. This programme will sensitize and engage the students in meaningful service that meets the community needs and also extensively benefit the students of class 9th to class 12th in schools for pursuing their higher education and career advancement.

The Court has appreciated the efforts of the University for taking the initiative to mentor the school students and adopting EMP in the academic curriculum as 2 credits towards Social Outreach and Community Engagement.

The meeting ended with a vote of thanks to the Chair.
