

Opening of 'IGDTUW OSA STUDENT CHAPTER'

We are pleased to announce that we are starting an OSA student chapter/society in our university IGDTUW, Delhi. Optical Society of America (OSA) is a 100+ years old American society. OSA is working to promote the generation and archiving the knowledge in OPTICS and Photonics. It also publishes 19 research journals of good repute. OSA has a worldwide recognition and has several local chapters and student chapters worldwide.

This proposed student chapter will have following office bearers, to be elected from the student members of the society.

*President, *Vice President, *Treasurer, *Secretary, *Outreach Officer

Membership to this society will be limited to students of IGDTUW only. **Membership fee for students is 10\$ per year per student**, which student will be paying to OSA.

OSA student members are expected to dedicate their time and talents to the Society through volunteer service in a variety of activities. These volunteers/members will play a critical role in conducting various activities such as regular meetings, visits to local schools for outreach activities, visits to local labs or company/industry, conduct of workshops, lectures etc.

Benefits for students members of Society

- Society may request for Chapter Management Grant from OSA, Special Event Grant and Grant to host an OSA travelling lecturer to deliver expert lectures
- Students may get chance to represent IGDTUW University in OSA student Leadership International Conference at FIO/LS.
- Attend or host an International OSA Network of Students (IONS) Conference.

For more details please visit <https://www.osa.org/en-us/home/>

Students interested to become member of this society are required to fill the following link.
