

POST-EVENT SUMMARY REPORT

Name of The Event: Session On Menstrual Health and Sexual Hygiene

Date of Event: 18 November 2023

Location of Event: It Was an Online Event

Organized by: Instinct- The Life Skill Society in Collaboration with Department of Humanities and Sciences

Speaker for The Event: Dr Alka Sodhi

SUMMARY OF THE EVENT:

This event has been organized to educate students about menstrual hygiene and sexual wellness, The speaker of this session was DR. Alka Sodhi, who is a medical officer in BSES. She has done her degree from Lady Hardinge Medical College. This session was attended by approximately 55 students even parents of these students attended the event and applauded the speaker. DR. Alka Sodhi made this session more interactive by clearing queries of many students.

A google form has been spreaded in different sections prior to the session so that students can write out their queries beforehand and around 30 students submitted their queries through google form.
