IGDTUW-Hacks
First Hackathon of IGDTUW

1st - 2nd June, 2019

organized by
ACM Student Chapter
Technical Society of Department of Information Technology

REPORT

ACM Student Chapter @IGDTUW, technical society at Department of Information Technology successfully conducted the first hackathon organized in IGDTUW, by the name of IGDTUW-Hacks during 1st - 2nd June, 2019 (Saturday & Sunday).

Hackathon generated a lot of interested among students of various engineering colleges / universities across Delhi region. More than 125 teams from across NCR registered for the event, out of which around 25 teams were shortlisted. Teams from IIITD, NSIT, DTU participated besides all-girls teams from IGDTUW. There was no registration fee charged from these shortlisted teams. Total around 125 students including participants, organizer students from Chapter were present on both the days.

Title sponsor of the event was PayTM - Build For India who provided cash prizes to the 1st, 2nd and 3rd winning teams, besides agreeing to accept resumes for the top-8 teams for selection for internships. The Vice President of PayTM, Mr. Sourabh Jain visited the hackathon, gave keynote address on 1st June.
