

BRIEF REPORT FOR INNERVE

The annual technical fest of IGDTUW, "Innerv", took place on 11-12th October. The fifth edition of Innerv was kicked off via an inaugural ceremony which was graced by the presence of the Vice-Chairman of AICTE on 10th October.

This year, Innerv witnessed a tremendous amount of footfall and an overall reach of over 1 lakh from premiere colleges all over India. The participants engaged in over 30 competitions, workshops, hackathons, and other fun technical events spanned over several months. The tech fest also launched a social campaign termed "SheShakti", which was a series of self-defence workshops conducted in various schools to empower young girls. Innerv also demonstrated technical creativity with the conception of a helpful chatbot, "Scooby" which aided participants throughout the two-day extravaganza.

This tech fest, led by an enthusiastic force of over 300 passionate girls, is an inspiring technical platform to compete, network and learn.
