A Panel Discussion on "Starting young innovators today, leaders tomorrow?" was organized by the EDC club of IGDTUW on 1st and 2nd April 2016.

The Workshop on Young Innovators was organized to foster creativity, problem-solving skills, and entrepreneurship among young individuals. A total of 56 enthusiastic participants attended the event. The workshop aimed to provide a platform for young minds to explore their innovative potential, learn from experienced mentors, and gain insights into the world of innovation and technology. The event was designed to encourage participants to think outside the box, embrace innovation, and become the next generation of change-makers.
